Subject: Assignment of Administrative Personnel

present nothing but an assignment headache at the DD/S. As we know, the people coming into the Support Career Service are JCTs (CTs). That job will offer little to them as an assignment.

I took advantage of this discussion also to tell Hank what a superb job [REDACTED] is doing in [REDACTED] and how very pleased we are in having Ed with us.

Hank. When I returned I realized I had overlooked the easiest solution of all - if [REDACTED] would do the [REDACTED] way back. She has been Admin officer at [REDACTED] and has done tdy there once before. Could pick up all threads with no training. This also would be the cheapest for [REDACTED]. Since she has an aged father she may not want to wait till Nov to return to the States - however I'd like to approach her about it. She would (if she accepted this) not be available to you until about 1 January 1967 - as we agreed we would be able to hold her until you found something for her if necessary - what do you think? Please call me re above. Thanks.
